Corporate Governance Statement

I. Introduction

Musti Group plc ('Musti Group' or 'Company') is committed to good corporate governance through compliance with laws and regulations in all its operations and to implementing recommendations for good corporate governance. The governance of the Musti Group complies with the Company's Articles of Association, Finnish and EU laws and regulations, in particular the Finnish Companies Act, the Accounting Act, securities markets regulations and other decrees and regulations relevant to the governance of a public limited liability company. Furthermore, Musti Group's operations are guided internal operating principles.

In its governance, Musti Group also complies with the Finnish Corporate Governance Code for listed companies ('Code') issued by the Securities Market Association in 2020. Musti Group has not deviated from the recommendations of the Code. The Code is available on the Internet at www.cgfinland.fi.

This Corporate Governance Statement has been prepared in accordance with the recommendations of the Code. The Audit Committee of Musti Group's Board of Directors has reviewed this Corporate Governance Statement. The Company's external auditor has reviewed that this Corporate Governance Statement has been issued and that the description of the main features of the internal control and risk management systems pertaining to the financial reporting process is consistent with the financial statements.

II. Descriptions concerning corporate governance

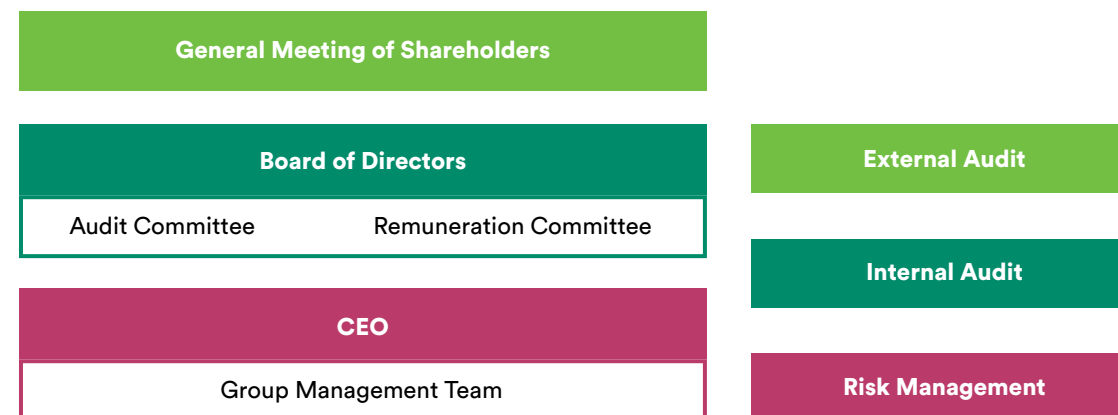

Musti Group is a company founded in Finland and is registered in the Finnish Trade Register maintained by the Finnish Patent and Registration Office as a public limited liability company. Musti Group operates under Finnish law and is listed on the official list of Nasdaq Helsinki.

The group consists of its parent company Musti Group plc and several group companies in Finland, Sweden and Norway ("Group"). The parent company is responsible for the management and governance of the Group, and the group companies are responsible for operative actions.

Musti Group's reporting segment structure is based on a geographical division. On this basis, Finland, Sweden, and Norway have been designated as their own operating segments.

The management and control of Musti Group is divided between the General Meeting of shareholders, the Board of Directors, and the Chief Executive Officer ("CEO"). General Meeting of the shareholders is the ultimate decision-making authority. Every shareholder has the right to attend the General Meeting and participate in decision making by voting. Each share entitles the holder to one vote. Decisions at the General Meetings are primarily made by a simple majority of votes, except in certain cases specified by the Finnish Companies Act (e.g. amending the Articles of Association).

Musti Group governance bodies

1. General Meeting

A General Meeting is convened by the Board of Directors. According to the Articles of Association, the Annual General Meeting (“AGM”) shall be held in Helsinki within six months from the close of the financial year on a date decided by the Board of Directors. Usually, AGM is held at the end of January. At the Annual General Meeting, the shareholders resolve on the adoption of the financial statements, decide on the distribution of dividend, elect the members of the Board of Directors and the external auditor, and determine their remuneration, as well as decide on amendments to the Articles of Association if necessary.

AGM 2022 was held on 27 January 2022. The AGM was arranged in accordance with an exceptional meeting procedure based on the temporary legislation to limit the spread of the COVID-19 pandemic approved by the Finnish Parliament. In line with the requirements of the temporary legislation, shareholders and their proxy representatives were to participate in the AGM and exercise their rights only by voting in advance and by making counterproposals and presenting questions in advance. It was not possible to participate at the meeting venue in person.

The minutes of the AGM 2022 are available on Musti Group’s [website](#).

2. Board of Directors

Composition, diversity and shareholding of the Board of Directors

According to Musti Group’s Articles of Association, the Board of Directors consists of a minimum of 3 and a maximum of 10 ordinary members. The term of office of the Board of Directors expires at the end of the first Annual General Meeting of shareholders following the election. The Board of Directors prepares the proposal for the composition of the Board of Directors to the General Meeting of shareholders based on the discussions between the major shareholders and the Chair of the Board of Directors.

When preparing the proposal for the composition of the Board of Directors, the Board of Directors takes into account the Company’s business requirements and development and the Company’s strategy. The main objective is to ensure that the composition of the Board of Directors supports the Company’s

business operations and strategy in the best possible way. Diversity of the Board of Directors supports reaching this objective. Diversity is considered from different angles. The most relevant factors for the Company are the members’ mutually complementary know-how, education, and experience in different fields of business as well as the personal attributes of the members. Musti Group aims to have both genders equally represented in the Board, and to have members with experience from different geographical areas. The progress in achieving the objectives is reviewed regularly. A candidate elected to the Board of Directors must have the required competence for the position, and a sufficient amount of time for attending to the duties of the position.

AGM 2022 re-elected Jeffrey David, Ingrid Jonasson Blank and Ilkka Laurila as members of the Board of Directors. In addition, Inka Mero and Johan Dettel were elected as new members of the Board of Directors. In its organizing meeting on 27 January 2022, the Board of Directors elected Jeffrey David as the Chair of the Board of Directors and Ingrid Jonasson Blank as the Vice Chair of the Board of Directors.

III. Descriptions of internal control procedures and the main features of risk management systems

Musti Group prepares consolidated financial statements and interim reports in accordance with the International Financial Reporting Standards, as adopted by the EU, the Finnish Securities Markets Act as well as the appropriate Finnish Financial Supervisory Authority Standards and Nasdaq Helsinki's rules. The Report of the Board of Directors of Musti Group and parent company financial statements are prepared in accordance with the Finnish Accounting Act and the recommendations and guidelines of the Finnish Accounting Board.

Musti Group's financial reporting process is managed internally, and the process is supported by external service providers. The internal control and risk management systems and practices described in more detail below are designed to ensure that financial reporting concerning the Company as well as its group companies is reliable.

The group management team evaluates results of the segments based on net sales, adjusted EBITDA and adjusted EBITA. Events outside the ordinary course of business are treated as items affecting comparability and have been allocated to the segments. In all other respects monitoring of results by management corresponds with IFRS reporting.

It is the duty of the Company's Audit Committee to monitor the reporting process of financial statements reporting and to review with the external auditor the annual financial statements and interim reports before submission to the Board of Directors for final approval, as well as to review internal controls and monitor the effectiveness of the Company's procedures for internal control over financial reporting. In addition, the Audit Committee assesses principles related to internal controls and risk management of the Company's financial reporting processes, monitors and reviews the effectiveness of the Company's risk management system, including the risk profile of Musti Group, and makes such recommendations as the Committee considers desirable. The Company's Board of Directors reviews and approves the Company's interim reports, financial statements and annual reports.

1. Internal control

Internal control refers to measures and procedures aiming to ensure that the Company meets its goals and targets, the Group's resources are utilized economically and efficiently, risks relating to operations are managed appropriately and financial and other information is reliable and correct. In addition, internal control aims to ensure continuity of business operations and compliance with

the Company's internal policies and processes, as well as with the requirements, legislation and regulations applied in the operating environment. Efficient internal control and risk management promote the Company's performance and reaching of targets, and they are a material part of Musti Group's corporate governance.

Musti Group's operating model of internal control and risk management related to financial reporting aims to provide sufficient assurance regarding the reliability of financial reporting and that the financial statements have been prepared in accordance with the applicable laws and regulations, accepted accounting principles (IFRS), and other requirements for listed companies. The principal components of internal control are control environment, risk assessment, control activities, communications, and monitoring. Musti Group has defined and documented internal control activities related to its business and reporting processes. Approval mechanisms, access rights, segregation of duties, authorizations, verifications, reconciliations, and follow-up of financial reporting are essential internal activities. The monitoring, development and communication related to internal controls is the responsibility of the CFO who regularly reports the results to the Audit Committee.

All employees of the Group must act according to the ethical principles determined in the Company's Code of Conduct. The principles are based on the ten principles of the UN Global Compact. The Company has committed to include these principles in all of its operations, company culture and strategy. In addition, Musti Group has committed to communicating the principles to its employees, owners, suppliers, and other partners.

The Group utilizes a whistleblowing reporting channel aiming to support compliance with laws and Musti Group's internal guidelines, policies, and values. Employees and other stakeholders may report suspected misconduct or non-compliance with corporate policies according to the whistleblowing procedure.

2. Risk management

The Board of Directors has approved the principles of the risk management of the Company. The target of the Company's risk management is to collect information on and to review and manage opportunities, threats and risks arising from the Company's operations in order that the Company will reach its targets and carry out its operations without disruptions. As such, the risk management aims to promote for its own part implementation of the strategy, reaching of financial targets, satisfying customer proposition, capability to distribute dividends, utilization of responsible practices and business continuity.

The Company's risk management comprises risk management targets, risk management process and its implementation, monitoring and reporting. Risk management is systematic activity aiming to ensure appropriate identification, review, management, and monitoring of risks. It is a part of the Company's planning and governance process, decision-making, management, and operations, as well as control and reporting procedures. Risk management is implemented systematically, proactively, and comprehensively, and it covers all operations in the entire Group.

Risks are assessed and managed with a comprehensive approach based on the business. Implementation of review and management shall be implemented in a way that ensures that material risks are identified, assessed, managed, monitored, and reported as a part of the reporting based on the governance system and the business. In addition, risk management is developed continuously as a part of the Company's operations.

Risk management is implemented according to the principles below:

- The management carries out a comprehensive risk review and updates the risk charts during the third quarter.
- The risk review comprises identification of risks, assessment of their relevance and planning of risk management activities. The group management team continuously monitors the execution of the activities
- Results of the risk review are reported to the Audit Committee during the fourth quarter. The Audit Committee addresses the most significant risks and measures to control them, as well as reviews the efficiency and operation of the risk management. The Audit Committee reports to the Board of Directors in accordance with its Charter
- The CFO reports annually to the Audit Committee the risks identified and measures to manage risks, as well as any changes in them
- The Company discloses risks, uncertainties, and risk management to its stakeholders in accordance with the principles presented in the Finnish Corporate Governance Code

The CFO with the assistance of the group management team is responsible for the preparation of the Risk Management Policy and the systematic and appropriate implementation of the risk management. The CFO shall ensure appropriate coverage of the Company's risk management and assess the implementation of the risk management. The CFO reports on the risk management to the Board of Directors.

The members of the group management team are responsible for the planning, implementation and follow-up of the risk management measures in their own area. The functions and franchisees are responsible for the operational risk management in their own area by identifying and assessing risks in their own area and defining risk control measures, and their implementation shall be monitored systematically.

3. Internal audit

The Board of Directors has not found it necessary to date to establish a separate internal audit function. The Company's Finance function has instead been adapted to also deal with internal audit duties. Audit Committee re-evaluates annually whether to establish a separate internal audit function. Furthermore, Audit Committee continuously evaluates material risks and control activities. Where necessary, the Board of Directors may purchase internal audit services from an external service provider. During the financial year 2022, internal audit services were provided by an external service provider on 1 October 2021 – 30 June 2022.

IV. Other information

1. Related party transactions

The Company maintains records of its related parties and adheres to the responsibilities set out in the Finnish Companies Act and the Code when monitoring and evaluating related party transactions.

The Board of Directors evaluates, and monitors transactions concluded between the Company and its related parties to ensure that any conflicts of interest are taken into account appropriately in the decision-making of the Company. Related party transactions that are not concluded in the ordinary course of business or on customary commercial terms are subject to approval by the Board of Directors. The Company's Finance function monitors related party transactions as part of the normal control activities and reporting procedure and reports related party transactions to the Audit Committee. Related party transactions are disclosed as required annually in the notes to the Company's financial statements. Material related party transactions are disclosed in accordance with the Securities Market Act.

2. Insider administration

Musti Group’s insider policy, based on the Guidelines for Insiders of Nasdaq Helsinki Ltd and the Market Abuse Regulation, describes the main obligations of insiders in the Company as well as the trade reporting of managers and their closely associated persons, and other related regulations and guidance under the Market Abuse Regulation. The Board of Directors confirms the insider policy.

The Company draws up and maintains project-specific insider lists only. Project-specific insider lists are not public. Persons entered in a project-specific insider list are not allowed to trade on Musti Group’s financial instruments during the term of the insider project.

The members of the Board of Directors, the CEO, and the members of the group management team of Musti Group and their closely associated persons are required to notify the Company and the Finnish Financial Supervisory Authority of transactions conducted on their own account relating to the Company’s financial instruments. The Company publishes the information it has received in a stock exchange release promptly after receipt of the notification. The member of the Board of Directors, the CEO, and the members of the group management team each shall identify the persons closely associated with them and notify the Company in writing of required information. During the financial year 2022, a total of 20 notifications on transactions by PDMRs published. These are available on the Musti Group’s website.

The Board of Directors, the group management team, and selected employees (“Closed Period Employees”) may not trade on Musti Group’s financial instruments during a minimum period of 30 days prior to the publication of interim reports and financial statements, or on the date of publication (“Closed Period”). The Closed Period Employees are individuals who have more information about the Company than the market due to their work duties, such as preparation of the Company’s interim reports and financial statements, or responsibilities related to the Company’s finances, financial reporting or communication. In addition, persons who have access to the said information for the purpose of carrying out their work duties, and certain individuals in executive positions, are considered by the Company as Closed Period Employees.

The General Counsel of the Company is responsible for the insider administration. The Company’s employees may report actual or potential infringements of the insider policy or financial market regulation in accordance with the anonymous whistleblower channel.

3. External auditor

The General Meeting resolves on the election of the auditor and the auditor’s remuneration. According to the Articles of Association, the Company must have one external auditor that shall be an Authorized Public Accountant Firm approved by the Finnish Patent and Registration Office. The auditor’s term of office ends at the close of the Annual General Meeting following the election.

The AGM 2022 re-elected Ernst & Young Oy, Authorized Public Accountants, as external auditor of the Company with Johanna Winqvist-Ilkka, Authorized Public Accountant, acting as the auditor with principal responsibility. Johanna Winqvist-Ilkka has acted as the Company’s auditor with principal responsibility since 2018.
